PRESIDENT'S MESSAGE

An unexpected pre-season bonus for the Club having apparently missed out on promotion last season. Our 1st XI gained a second promotion in two years - to KCL Division 2 - after a withdrawal from the League. More good news on top of our 2nd XI winning their league in 2018.

All of which proved a fitting send-off for my predecessor, Bob Rangecroft, who stood down late last year. He stewarded the OD/Cuaco clubs' merger in late 2000 since when he has served continuously as President, chalking up more than 60 years with the Club – and still counting!

In short, achievements, both on and off the field, heralded a second excellent year for our hands-on Chairman, Andy Rouse, and his management team. May I take this opportunity to thank them for everything they do for our Club and to wish everyone, whether it be on or off the field, a very happy and enjoyable season.
