

## TRANSPORT OF CHILDREN POLICY

Transporting children and from cricket activities can present challenges for parents / carers. The ECB's position is that coaches, managers and other volunteers do NOT transport children to and from any club related cricket activity, nor is it their responsibility to arrange transportation to and from any such activities.

Parents and carers are responsible for the safe delivery and collection of their child.

Please do not drop off or wait in car parks and instead deliver your child **in person** to the coaches, managers or relevant volunteer in the club house or on the pitch, at which point they become responsible for the child, unless otherwise specified, such as during tournaments for example.

All league matches are detailed in the fixture card provided at the beginning of the season and more details will be provided as soon as possible within the team app in the run up to matches in order to allow forward planning as much as possible. Information regarding later rounds of cup matches which is not available at the beginning of the season, will be communicated as soon as possible.
